ORDINANCE No. 131
An Ordinance Amending Ordinance No. 12 of the City of Torrance by Adding Thereto Section 16a, and Amending Sections 8, 9, 10, and 11.

The Board of Trustees of the City of Torrance do ordain as follows:
SECTION 1. Ordinance No. 12 of the City of Torrance is hereby amended by adding thereto Section 16a as follows:

"Section 16a. It shall be unlawful for any person, firm, or corporation to allow any goats, sheep, cattle, or any other animal excepting dogs, or to allow chickens, ducks or geese, or any other domestic fowl to roam at large upon any streets, parks, alleys, or other public places or upon any private property not in the possession of the owner or person having control of any such animal or fowl."

SECTION 2. Sections 8, 9, 10, and 11, of Ordinance No. 12 of the City of Torrance are hereby amended to read as follows:

"Section 8. It shall be the duty of the City Marshal to take up and impound unlicensed dogs running at large in or upon any street, alley, park or other public place or upon any unoccupied land, or land not enclosed in the City of Torrance, and to take up and impound all other animals or fowls referred to in paragraph 16a hereof running at large. Immediately after such taking up and impounding the Marshal shall cause to be published once in the Torrance Herald a notice containing a general description of such animals or fowls, and that he will keep same confined three (3) days after the publication of such notice unless same be sooner redeemed as hereinafter provided. If same shall not be so redeemed then the Marshal shall cause any dogs so impounded to be killed by the administration of either illuminating or hydrocyanic acid gas or by the use of potassium cyanide, at his discretion, provided that the Marshal may dispose of any dog not so redeemed by gift or sale, to any person who will pay the pound fees, together with costs of publication of such notice and procure the necessary license and tag for the current year. If any other animal or fowl so taken up as above provided is not redeemed within three (3) days from publication of the notice above mentioned the same shall be offered for sale to the highest bidder after giving three (3) days notice of such sale by notice posted at said pound, and at the entrance to the City Hall, and entrance to the Police Station of the City of Torrance, and the same shall be sold to the highest bidder at such sale, whether such bid be sufficient to pay the pound fees or not. If no bid be received and no person claim the property so offered for sale and offer to pay the pound fees thereon, such stock may be killed in the manner above provided.

"Section 9. The owner or person entitled to the custody or control of any unlicensed dog, which shall have been taken up by the Marshal under the provisions of this ordinance, may redeem the same at any time before it has been killed or disposed of as provided in Section 8 of this ordinance by paying to the Marshal the pound fee and charges in this ordinance prescribed including the cost of publication of the notice required above, and by exhibiting to said Marshal a tag and receipt showing license for the current year has been paid. The owner or person entitled to the custody or control of any other animal or any fowl so taken up and impounded may redeem the same at any time before it has been sold or disposed of as provided in Section 8 of this ordinance by paying to the Marshal the pound fee and charges herein prescribed.

"Section 10. The Marshal shall keep a record of all moneys received by him and shall prior to the tenth day of each month, file with the City Clerk a report in writing under oath, for the preceding month, animals taken up, impounded, or destroyed, showing the date of receipt and the date and manner of the disposal of each, and the name of the person by whom any such animal was reclaimed, redeemed or purchased, and the amount of fees, charges or proceeds of sale received in each case, and the number of the tag and date of the license exhibited to him upon the redemption or sale of any animal.

"Section 11. The Marshal shall collect pound fees as follows:
For taking up and impounding any animal \$2.00
For feeding any

animal \$.50 per day
For feeding any fowl \$.10 per day
provided that the Marshal shall deliver up without any charge or fee any dog which shall be taken up or impounded by mistake." Section 3. The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in the Torrance Herald, a weekly newspaper of general circulation published and circulated in the said City of Torrance, and thereupon and thereafter this ordinance shall be in full force and effect.
